High school honours outstanding students

Parents, teachers and friends gathered at the Haliburton Highlands Secondary School Saturday evening to pay tribute to the outstanding students of the 1983-84 school year.

The annual awards night drew a packed auditorium of well wishers, as students were presented with prizes and certificates for a variety of achievements.

Leading the list of awards were three \$100 prizes given to the Ontario Scholars: James Bennett, Karen Gillespie and Susan Milne, each obtained an average of 80 percent or better in six grade 13 subjects.

The evening also paid tribute to Marla MacNaull and Signe Tashlin who

received a school letter. The two were cited for their leadership in the school and their excellent academic record.

The following is a list of the awards presented Saturday evening.

1984 honour students

Year 1

Richard Beers, Lynn Bibby, Gina Brohm, Christopher Bunker, David Clothier, Andrew Cooper, Laura Cross, Ginger Elliott, Judy Finlay, Darryl Goodall, Tammy Hughes, William Hutchings, Gary Lewis, Thomas MacLeod, Karen Madill, Helga Meyers, Stephanie O'Brien, Michelle Parish, Lynda

Pockett, Jeffery Popple, Lucy Postlethwaite, Pamela Rivers, Lyle Robinson, Clifford Smith, Ruth Stouffer, Lesley Tashlin, Lindsey Tashlin, Sharon Thornett, Darren Whittaker, Lisa Williams, Gordon Wood and Corinne Ziorjen.

Year 2

One year honours: Tina Anderson, Peggi Ann Bowman, Lori Bull, Nancy Clement, Lori Cooper, Marilyn Cully, Melissa Emmerson, Cindy Hofland, Avery Hutchings, Grant Loucks, Christopher Miscio, Brenda Lynn Moore, Susan Peel, Megan Stitt, Sandy Sutherland and Wendy Ward.

Two year honours: Stephanie Bain, Gail Barnhart, Michael Blake, Ian Cooper, Kevin Cowan, Jodi Dillon, Gregory Foran, Jennifer Gentle, Anthony Hartin, Andrea Johnson, Kimberly Mumford, Emma Postlethwaite, Tanya Rosenberg, Barry Scully, Jamie Stata and Leanne Thomas.

Year 3

One year honours: Paul Aggett, Gordon Blanchard, Shirley Bryant, Deborah Denault, Jeffrey Howe, Jacqueline Mawbey, Jon

(more on page 14)

Signe Tashlin and Marla MacNaull proudly display the school letters presented to them at the Haliburton Highlands Secondary School awards night Saturday. The pair were among many students honoured for a variety of achievements earned during the 1983-84 school term. For more pictures see pages 14 and 15.

Board approves wage contracts

The Haliburton County Board of Education has ratified contract agreements with Teacher's Aides, Elementary School Teachers and members of Local 142 of the Canadian Union of Public Employees.

In accordance with the provincial restraint program the Board recommended a 5% increase in salaries when the 1984 budget was drawn up.

Negotiations with CUPE and the Elementary School Teachers began last spring. After being without a contract since January, 1984 the members of CUPE Local 142 ratified a two year contract on October 23.

Under the terms of the contract the hourly rate of employees who are members

of CUPE will be increased by 5% or 47¢ an hour, for the calendar year 1984.

Salaries will increase in the second year of the contract by 75¢ per hour.

Elementary School Teachers will receive a total compensation package of 5% of which 3.7% will be an increase in salary and the remaining 1.3% will be an increase in benefits.

Teachers Aides will receive an increase of 5% in their hourly rate effective September 1, 1984.

The Board also increased the kilometre rate by 4.5% to 41.8¢/km. for people who supply transportation, by private automobiles, for special needs children, effective September 1, 1984.

Society submits museum proposal

A formal proposal for the relocation of the Kanawa International Canoe Museum to a site on Head Lake has been submitted by the Haliburton County Historical Society. The proposal was made to the museum's board earlier this month.

According to the chairman of the Haliburton County Historical Society, Frank Wallace, the Kanawa board should make their selection by the end of the year. He noted that six applications were received

(more on page 5)

A 21 year old Cardiff man is dead following a single car accident on Highway 648 just north of Wilberforce.

Dead is Stephen Joseph Elliot.

The young man was alone in the 1974 model pick-up truck when the vehicle left the roadway, crossed a ditch and struck a rock cut. According to the police the man was not wearing a seat belt at the time of the mishap. Elliot was taken to Haliburton Hospital but was pronounced dead shortly after arrival.

The matter was investigated by Constable Barry Connelly. The attending coroner was Dr. Antony Holliday-Rhodes. No inquest will be held.

Break-in
The Reflection Restaur-

ant in Carnarvon was once again the target of thieves. The intruders entered the premises during the early morning hours of October 25 by breaking a window.

The thieves made off with an estimated \$2,000 in liquor and food.

Constable Mike Maher, assisted by the identification unit from OPP district headquarters in Peterborough, is investigating the incident.

Property taken

Police are investigating the disappearance of \$3,000 in property taken from cottages and tool sheds on Peach Lake in Stanhope Township. The break-ins occurred during the past two weeks.

According to the police, bolt cutters were used to gain access to the sheds.

Items taken in the break-ins included outboard motors, chainsaws, tools and fishing equipment.

Convicted

A 13 month jail sentence and an order of restitution were the results of convictions of theft, dangerous driving and breach of probation. The conviction was handed down in Provincial Court October 24, and followed an incident a week earlier in Haliburton Village.

Peter John Austin, 20 of R. R. 2 Haliburton, was convicted of breaking into Curry Motors in the village. The man stole a \$35,000 vehicle and drove it recklessly through the streets of Haliburton for a number of hours before he abandoned the car. The man was arrested a short time later.

In addition to the jail term, Austin was ordered to pay \$1500 restitution to Curry Motors within a 12 month period.

A 17 year old Haliburton youth has been convicted of two break-ins in that village. Michael MacInnes, was sentenced to 60 days in jail after being found guilty of breaking into Nancy's Flowers and the Haliburton Pharmacy.

Another individual, 16 year old James Richard Austin of Haliburton was convicted of the same offence earlier. The police are also seeking 20 year old Shaughan Wilson of Haliburton in connection with the same incidents. Austin is reported to be currently at large after having failed to return to jail when out on a temporary pass.

Downtown start approved for dog races

Anson, Hindon and Minden council has approved a request by the organizers of a dog sled derby to stage the start and finish of the race on the Main Street in downtown Minden.

In September, council endorsed the proposal to hold the race in early January and agreed to provide \$1500 to assist with the organization and promotion of the event.

The races will take place on January 12 and 13. The organizers chose this date to avoid conflict with races that are held in other communities.

Councillor Gary Kenney, who is a volunteer organizer of the event, tabled the request to situate the start/finish line in the downtown core.

Kenney informed council that the organizers of the race have received the support of council, the Chamber of Commerce, the Minden BIA and the Haliburton Highlands Snowmobile Association.

In addition, Minden veterinarian Dr. Peter Bennett has offered his services and experienced race marshalls, timers and

trail bosses will be supervising the race.

He added that the Minden BIA has pledged \$500 to the race and will assist with the promotion and the organization of the event.

He noted also that the organizers will be meeting with the Minden detachment of the OPP to deal with the concerns the police have regarding crowd control and the safety of motorists. Kenney requested that council consider the request by the organizers to stage the beginning of the race on the Bobcaygeon Road between Newcastle Street and South Water Street.

The organizers, he noted, are proposing that the section of the Bobcaygeon Road be closed to traffic and that the section of the street from the bridge to the trail south of the the Minden Library have controlled limited access.

The downtown start of the race has been requested, he noted, because it is important to have a long straight section at the beginning of the race to allow the drivers time to get their dogs under control. He explained that the organ-

izers are requesting a ten foot wide track be reserved for the course and emphasized that the track must be snowcovered to allow the sleds to move freely over the surface.

He pointed out that in order to meet this condition if the road was bare or sanded prior to the race, snow would have to be brought in and used to cover the track.

He added "I realize this may not be a reasonable request."

Deputy Reeve Ed Pergolas questioned whether this would necessitate using municipal employees to cover the track, adding that they would be working overtime and they would have to be paid time and a half in

wages. He added that if an ice storm occurred on the day of the race, the Roads Department would have to sand the road to ensure the safety of motorists.

Kenney pointed out that the race organizers were only requesting that a ten foot wide strip be reserved for the track and that the remaining section of the road could be sanded.

Reeve Lyle McKnight stated that he felt the issue of the road closure and placement of snow should have been resolved at a prior Roads Committee meeting. Councillors Kenney, Pergolas and Burk make up the committee.

McKnight stated that the committee should have brought a recommendation to council not just general

information, so that council would not have to spend a lot of time discussing the issue.

"Bring in a recommendation (to council) that you have all agreed to", he said, adding that he felt the matter should be referred back to the roads committee.

Pergolas commented "I felt we had resolved it." Burk agreed, adding that although the committee supported the race they would not recommend that snow be dumped on the road.

When the three members of the road committee began to speak simultaneously, the reeve banged the gavel to bring the meeting to order. At this point, Stuart Brandon, a representative of

the BIA, addressed council and requested that a decision be made immediately.

"If council can resolve this issue, it would be to the advantage of the organizers, the BIA and the municipality," he said. He pointed out that some downtown

merchants may not agree to provide funding if the race is not held in the downtown area.

"Since the late 1960's this is the only event to be held in downtown Minden," he said, adding that merchants in the core area do not benefit from such activities as the County Fair and the Winter Carnival which are held at the fair grounds or arena.

(more on page 9)

Participation makes program work

by Constable G. Chapman

Neighbourhood Watch, the crime prevention program, seems to be becoming entrenched as part of Haliburton life. No formal statistics are kept, but there appears to be a definite upswing in the amount of calls received from area residents reporting suspicious persons and activities.

An example occurred early Monday when a Carnarvon Neighbourhood Watch member phoned at 5:40 a.m. to report a possible break-in in progress at a neighbour's. The interior lights had gone on and off and a door appeared ajar. The occupants were known to be away.

Two officers from Minden Detachment responded, checked the residence, found everything to be secure and informed the caller accordingly. There is no stigma attached to reporting a suspicion that turns out to be a false alarm. In fact, the call was quite justified and is just the type of call residents are encouraged to make.

By responding to these calls crimes will be prevented and criminals will be apprehended.

One recent occurrence however, stands out as an example of the Neighbourhood Watch concept not

being applied.

A week ago, on Saturday morning, a local youth stole a new, expensive car from Curry Motors and for almost three hours roared through the streets of Haliburton Village and surrounding area squealing tires and wakening most of the population. It wasn't until near the end of this rampage, 7:04 a.m., that any calls were received by the police. When the Minden officer arrived at 7:36 a.m. the stolen car had been abandoned. Fortunately the culprit was located and arrested and has since been convicted.

In order to be effective, the Neighbourhood Watch concept must be applied at all times. In obvious cases, such as Saturday's event, residents must not assume other persons are contacting the police. Each resident must take it upon himself to notify the authorities.

Program update

Neighbourhood Watch signs, to be posted throughout the communities, have been ordered from a company in Elmira, and hopefully will be delivered and installed in the near future. Maps, detailing exact locations of Neighbourhood Watch participants are still being prepared.

Warden honoured at annual banquet

Politicians, friends and family members gathered Friday evening to pay tribute to Lyle McKnight, the Warden of Haliburton County. The occasion was the annual warden's banquet, held at the community centre in Minden.

The warden, who completes his term as head of the county in mid December, was called "a good ambassador for Haliburton" by the master of ceremonies, Bicroft Reeve Bill Howe. "Lyle keeps his cool," Howe said, "He's a typical 'nice guy' who doesn't stay upset."

Howe noted that the warden's 1984 term had been one with its "ups and downs, but not necessarily problems which he created. You have always made a concentrated effort to smooth the way," Howe told the warden. "You did a credible job, and everyone here knows it."

Responding to the remarks, the warden noted he was proud to be a native of the county. "It has been a privilege and an honour to serve you as warden."

McKnight paid tribute to the efforts of previous wardens, particularly those involved in the elevation of Haliburton to full county status.

He noted there had been some problems during his term in office. He said that county politicians must work harder to make the county prosper as a unit.

McKnight said he hoped, that during the coming year, the efforts of the Haliburton County Chamber of Commerce will succeed and grow. He also paid tribute to

the Anson, Hindon and Minden municipal council and staff for their support and encouragement during the time he served as head of the townships as well as the county.

The warden had special praise for county clerk Wynn Lahay. He noted that she was chosen the 1984 Highlander of the Year. "She is a dedicated and hard working lady. We will miss you," McKnight said. His remarks were greeted with a standing ovation by those in attendance.

McKnight also paid tribute to the memory of Grenville Martin who died two weeks ago in an airplane crash. "He made a tremendous contribution to the county," the warden said. Martin was the head of a logging and milling company based in Harcourt.

Finally, McKnight paid tribute to his family, and especially his wife Linda "for putting up with me. When the chips are on the line, she is with me," the warden concluded.

Greetings were presented by Morris Watson, representing the warden of Victoria County, and Jack Whitney of Peterborough County.

Victoria - Haliburton MP Bill Scott and MPP John Eakins were also in attendance to pass on their best wishes and congratulations to the outgoing warden.

Also in attendance were past wardens including Holly Sisson, Sinc Nesbitt, Charles Brandon, Murray Fearrey, Reg Booth, Bob Vick, Jim Harrison, Ron Gambell and Bill Howe.

The evening concluded with a dance.

While his wife Linda looks on, Haliburton County Warden Lyle McKnight, addresses those attending the banquet in his honour.

editorial

Participation is the key

Everyone takes measures to protect his or her property. That is why locks were invented, why individuals store valuables in a secure place and why our tradition of common law reflects the sanctity of private property.

But taking measures to protect property from thieves or vandals is more than a private affair. It is a community responsibility. Those who selfishly act to protect only their own property will soon find themselves an isolated island.

This fact was brought home in a report prepared by Constable Gary Chapman, OPP Community Services Officer, which appears on page two of today's newspaper. In the report, he recounts an incident, which, while the actual theft may not have been noticed, the actions of the individual should have resulted in someone alerting the authorities.

The individual stole a car and proceeded to drive it on the streets of Haliburton Village at a high rate of speed, squealing the tires. The thief's actions almost seem to be those of an individual asking to be noticed, asking to be stopped. Yet it wasn't until after some period of time that the police were notified of this behaviour and called to investigate.

By this time the individual had abandoned the car. Fortunately he was arrested a short time later.

Communities protecting themselves against those who break the law is not something new.

While the Neighbourhood Watch program may be a recent creation, it has been in operation informally for many years. Its basics can be found in caring about one's neighbours and the community extending the personal concern for property beyond that which is only ours.

You need not be a member of a formal Neighbourhood Watch program to do your part in the protection of your community. It is simply of carrying your small share of responsibility for the common good.

Roots

The endless commission

-by John Eakins, MPP -

I thought constituents might like to know about some appointed commissions, what they are doing or not doing, and how much it costs our taxpayers.

The Royal Commission on the Northern Environment was originally established primarily to defuse political controversy in the 19,000 square mile "Reed Tract" of land for timber harvesting in North-western Ontario.

It was established under the Ministry of the Environment by Order-in-Council O.C. 1900/77 on July 13, 1977 by the Premier with Mr. Justice Patrick Hartt as Commissioner.

The terms of reference directed the Commission:

1. To inquire into any beneficial and adverse effects on the environment ... for the people of Ontario of any ... major enterprise ... north or generally north of the 50th parallel.

2. To inquire into

methods that should be used in the future to assess, evaluate and make decisions (regarding such enterprises).

3. To investigate the feasibility and desirability of alternative undertakings ...

4. To report and make such recommendations to the Minister of the Environment from time to time ... with respect to the subject matter ...

An interim report was filed by Justice Hartt on April 4, 1978 who recommended to the government that the Commission be directed to table its final report by July 1980 and that it be given a set budget.

Ed Fahlgren, a former mining executive was appointed Commissioner on August 2, 1978 after the resignation of Justice Hartt.

Staff members left in the fall of 1981 criticizing the Commission as a "joke" which preferred endless research to contact with real Northerners.

The Commission has been overtaken by events. In one case the Commission produced its analysis of the environmental impact of the road to Detour Lake six months after the government had approved the development in June 1981.

The Commission was transferred from the Ministry of the Environment to the Ministry of the Attorney-General in January 1982.

The cost of the Commission to the end of March 1984 was \$10,072,806. A further \$519,100 has been committed by Management Board to the end of this year.

The Commission has missed every deadline which it set for itself for its final report (December 1982, June 1983, December 1983, March 1984, September 1984) and still we have no final report date.

So much for commission reports and taxpayers money.

outdoors

Federation of Ontario Naturalists

It's hard to believe, but Ontario's Breeding Bird Atlas is already four years old and will finish next year. Back in 1981, it looked like an almost insurmountable challenge. Yet here it is 80% complete, with great progress being made during the past breeding season once again.

Though most of the survey blocks have been filled in on the provincial map, important discoveries are still flowing in at a great rate. Understandably, many come from the far north where the Atlas is breaking new ground. This year, for example, the greater scaup was confirmed to be breeding at the mouth of James Bay. New breeding locations for little gulls also turned up on the Bay and on the Winisk River.

To the south, a new pair of cinnamon teal were found at a sewage pond. Several new henslow's sparrow colonies were also sighted in the Luther Lake area and at least two new locations were added for golden eagles and one each for great egret and prothonotary warbler.

The Algonquin, North Bay and Sudbury regions now require the greatest field work next year. Overall, roughly fifty square blocks remain to be visited across the province. With the completion date approaching and the access to free flights starting to dry up, the window afforded by the seven or eight week peak season in 1985 is looking smaller and smaller to Atlas Coordinator Mike Cadman. But the same dedication that prompted volunteers to drive from Florida to do Atlas work in Moosonee is sure to see the project through to a successful conclusion. Still it means early planning, especially for the remote trips which will be targeted at very specific areas next summer. So if you're interested, drop a line right away.

Even if you can't travel you may be able to help from where you live. Cadman is on the lookout for breeding records for barn owls which are now considered "rare" by the Committee on the Status of Endangered Species in Canada. Direct any correspondence to: Ontario Breeding Bird Atlas, FON Conservation Centre, 355 Lesmill Road, Don Mills, Ontario, M3B 2W8.

Salaries are astounding

- by Bill Scott, MP -

For several years now, when we were in Opposition, our Party called for the release of the salaries of top executive officers of Canadian Crown Corporations. Constantly, this request was not acted upon and we were left to guess the salaries of these top officials.

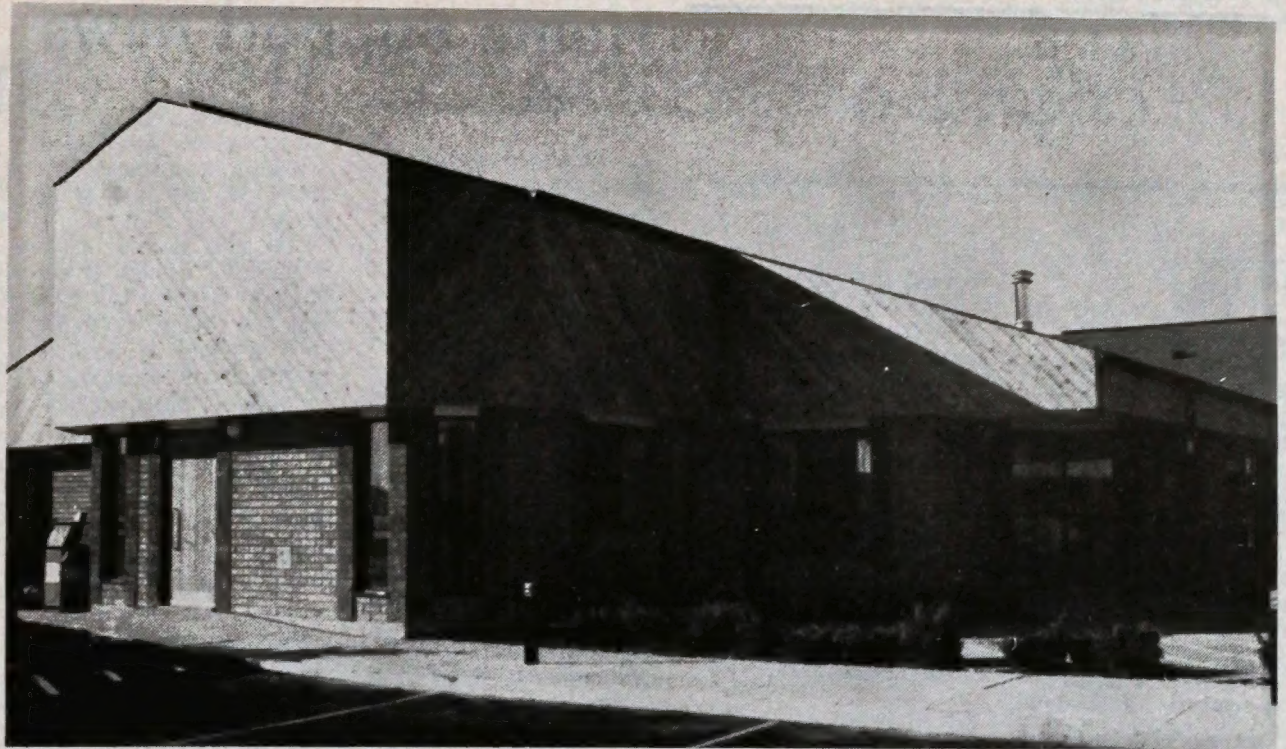

On October 23, the Rt. Hon. Brian Mulroney, released to the press the income information for 22 of these Crown Corporation heads. Everyone, including the Prime Minister, was astounded at the salary levels included in that release. There is no question that we need top calibre people in these positions, but I personally have trouble justifying spending almost half a million dollars on one person. In the case of Petro-Canada, between the two top positions, we are paying salaries approaching \$1 million per year. That is

almost ten times the salary of the Prime Minister whose overall responsibilities are much greater and who is chosen by the people.

Ambassadors

The recent appointment of the Hon. Lloyd Francis, as Ambassador to Portugal, is in line with the tradition of rewarding former Speakers of the House of Commons with Government appointments. As Deputy Speaker under Madam Sauve and as Speaker after her departure, Mr. Francis served the House well.

The appointment of Stephen Lewis, as our Ambassador to the United Nations, illustrates our Government's desire to restore the credibility of our Senior Public Service. We believe it is possible to reach out to the public sector and attract the most capable people regardless of their former political persuasion.

Stanworth Court, a 22 unit senior citizens' apartment complex, will be officially opened today in Minden. The ribbon cutting, which is scheduled to take place at 2 p.m., will mark the culmination of several years of hard work and co-operation by representatives of the three participating municipalities. The non profit housing corporation first met in April of 1982, when representatives of the municipalities of Stanhope, Lutterworth and Anson, Hindon and Minden, agreed to pool their efforts and housing needs in a single complex. The results of the more than two years of work can be seen and heard in the comments by those individuals and couples who have already taken up residence in the complex. Officiating at the opening today, in addition to the representatives of the municipalities, the members of the board of directors and support staff, will be the Ontario Minister of Housing, Claude Bennett.

Museum

(from page 1)

by the museum's board for the facility. The other proposals came from the communities of Ottawa, Peterborough, Port Hope, Toronto and Brantford.

Leading up to the presentation of the proposal, the local board of directors conducted a series of meetings to prepare the submission. The Haliburton County Historical Society also met with representatives of the museum's board prior to submitting the proposal.

Wallace noted that the local proposal centred on the construction of a new museum building at a site selected earlier this year in Glebe Park in Haliburton Village.

The chairman also pointed out that the organization is now pursuing other historical projects in the county. Ideas on areas which the society could become involved in have been solicited from municipalities in the county as well as the general public. "We want to promote the county's historical heritage," the chairman said.

A general meeting of the society will be held November 8 at the Haliburton Highlands Secondary School cafeteria. Presentations will be made by two provincial historical authorities, as well as several members of the society who have been examining possible areas of interest for the group. The meeting begins at 8 p.m.

ASK YOUR PHARMACIST

Lice do not discriminate

"The school nurse sent my children home. She says they have lice. She's right, but I can't believe it. I am horrified and humiliated."

Stop feeling guilty. A lice infestation does not mean your house is dirty or you've failed as a parent.

Lice easily move from one person to another. Close bodily contact spreads lice; so does sharing such personal articles as hats or combs, even riding on a school bus or sitting on toilet seats.

Fortunately, you won't have to burn clothes or pour kerosene over the kids to disinfect them. Your pharmacist can help you considerably with the tasks at hand.

Effective treatment is easy if a few important points are remembered.

There are three types of lice — head, body, and pubic. They can be seen moving on the skin or scalp. The nits, or eggs, are clearly visible on the hair shaft as immobile, gray, oval bodies. It is important to remove each and every nit.

The medication used for delousing (getting rid of lice) may be bought without a prescription in cream, lotion or shampoo.

Two such products available are Kwellada® and GBH®. Your local pharmacy carries them and other preparations.

Read the directions carefully and ask your pharmacist for help if there is any part of the instructions that you do not understand.

Be sure to check with your doctor or pharmacist before delousing young children because some preparations will cause toxic side effects in young children.

Medication used for delousing is for external use only. It may be harmful if swallowed and may cause irritation to eyes, mouth, and open wounds.

All clothes and bed linen should be laundered or dry cleaned and all combs and brushes disinfected to prevent reinfestation.

If your child is sent home from school because the child has lice, chances are other children in the class are also infested. You won't be the only parent your local pharmacist has helped this week. It happens at the start of every school year.

An advisory column written by The Canadian Pharmaceutical Association, Ottawa, Ontario.

This monthly feature is presented as a public service by

MINDEN I.D.A.

Main Street - Minden - 286-1220

from the chamber

This week the Chamber of Commerce welcomes three new members.

- Algonquin Nordic Ski Touring Association located on the border of Haliburton and Hastings County, features hut-to-hut cross country ski tours in Algonquin Park. The hut-to-hut system enables you to enjoy a spectacular ski touring holiday in this vast wilderness area with the comfort of well outfitted accommodations.

Small groups of skiers accompanied by experienced, responsible guides tour the hut system and explore the back country of Algonquin Park.

You need not be an accomplished skier to enjoy this exciting wilderness skiing experience. Skiers who are not confident of their ability or families with children can ski the 8 km of gently rolling trail to a hut which is located in the picturesque York River area.

Every hut has a cheery wood stove to keep it cozy and to prepare hearty home style meals.

All tours start and end at Moffat Pond. This camp stands alone on a small lake above a 20 metre high set of rapids. The natural pine interior, a wood heated sauna and hot tub plus 25

Minden, Haliburton and Wilberforce up to the borders of Algonquin Park.

This project promises to be a great drawing card to attract winter business and to provide employment. President of the Association is Curtis Eastmure. For more information call 457-1640.

- Mr. David Phillips is a Mutual Life representative, who in association with Shawn Hagerman, is serving the Haliburton Minden area. You may reach Mr. Phillips at 286-2316.

kms of groomed and track set trails make this camp luxurious wilderness accommodation indeed. For more information call (416) 248-6325.

- Haliburton Highlands Nordic Trail Association offers a linked trail system to join a number of the already existing trails, resort and support facilities within the Haliburton Highlands. Such areas as the Leslie Frost Centre, Maple Sands Resort, Stanhope Township Development, Snowdon Township Trails, and the Lake Kashagawigamog tourist Association plus the new proposed Minden Trail are but a few that fall within the Haliburton linked trail system. This area stretches from Dorset, Carnarvon,

Work begins on new building

Construction has started on the new Haliburton Highlands Chamber of Commerce office and welcome centre on Highway 35. The work began last week when the portable office was removed from the site and the existing structure demolished.

The contract for the new building was awarded to Elstone Construction of Haliburton. The company submitted the successful bid of \$29,172. It was the lowest of seven bids received for the work.

According to the chairman of the building committee, Bill Kulas, the plan for the new building was drawn from two submitted last year by drafting students at the local high school. The students had

participated in a competition to design a new office and welcome centre. Kulas said the building committee selected features from two of the submissions to come up with a final plan for the structure.

The tenders for the building were opened October 13 with several members of the building committee and the Chamber manager in attendance. Other bids for the project included: Beachli Construction, \$31,765; Keith W. Stata, \$33,000; Mack Peters Construction, \$33,566.50; Dennis Willis-on, \$34,800; Terry Brown Construction, \$37,650; and Jim Johnston Construction, \$43,963.

The completion date has been set at December 31 of this year.

Home Support news

by Donna Bailey

We have thoroughly enjoyed the "Art in the Hall" that has graciously decorated our halls for the past half year. All the art was done by seniors - such talent!

We are now in the process of acquiring new art for our soon to be painted halls and offices. If you are a senior or disabled person would you kindly let us display your craft work here? It will be well taken care of and graciously admired by all. We have insurance to cover it.

Please contact our office or bring in your art piece. Peggy Podmore, who has given time and energy as one of three conveners has found her other commitments too time consuming to continue on as one of our "Art in the Hall" Conveners. We thank her for her help. We welcome back as a member of our team Stella Stinson,

who we know will do a super job. Our two other hard working conveners are Mary Walling and Marg Barnett.

The next meeting of the Haliburton County Home Support Services will take place on Friday, November 16 at the Wilberforce Legion. It will be in the form of a lunch meeting commencing at 12 noon at a cost of \$5.00 per person for the lunch.

Our guest speaker will be Ray Selbie. His topic will be "Wills".

As numbers will be limited please call our office at 457-2941 as soon as possible for lunch reservations. We will be accepting your reservation as a positive commitment as we must let the ladies who are catering our meal know one week in advance. Please call no later than November 9.

Have a nice day!

Branch 129 news

At the October general meeting, Branch 129 initiated the following comrades: (Ordinary) Joseph Stelmak; (Associate) Sharon Wright and Barbara O'Riley. Congratulations to these comrades and to Archie Ross and Roy Fleming who were presented with golf trophies.

Comrade Cliff Dawson gave a report on the proposed apartment building. Through the efforts of our housing consultant, Ms. Gibson, our application was submitted by government deadline date of September 26. Application has been made for 50 units and will be a 35-year project if accepted. Zone Commander Robertson, who attended the meeting on his regular official visit, congratulated the Branch on the ingenious idea of the recent land purchase for the purpose of constructing an apartment

building for veterans and senior citizens.

It is hoped that there will be a good turnout to the Remembrance Service at the Cairn in Minden at 2:00 p.m. on November 4. Also, the November 11 service at the Legion will commence at the Legion at 10:00 a.m. with the march off at 10:45 and the service at the cenotaph at 11 o'clock. Dinner will be at the branch at 2:00 p.m.

Recent Branch donations included \$500.00 to the Haliburton Minor Hockey Association for the purchase of sweaters, and \$300.00 to Haliburton County Information Centre for the purpose of purchasing a typewriter. Mrs. B. Scott was the winner of the last bingo snowball in the amount of \$176.00.

The next general meeting will be November 1 at 8:00 p.m.

Hartwick wins pair as season begins

In contrast to the two lopsided games that opened the Men's Town Hockey season on Monday, October 22, the games on the following Thursday was a much more evenly matched contest.

Hartwick Construction skated to a 8-7 victory over Vasey's Real Estate at the Minden Arena. Hartwick got on the board first with a single goal but trailed 2-1 at the end of the first period.

Vasey's held on to the lead as each team added a pair of goals in the second period.

Hartwick tied the game early in the third period then went ahead for the second time in the game. The teams alternated goals before Hartwick knocked in three in a row to go ahead 8-5.

Vasey's put on a lot of pressure in the dying minutes of the game, scoring a pair of goals but fell short by a point, losing 8-7.

Rick Hartwick led the way for the winners with 4 goals. Leigh Bull also had a strong game scoring a hat trick and adding a pair of assists.

Rick Halk rounded out the scoring with a goal and an assist. Assists also went

to Frazer Rogers, Jeff Campbell, Murray Clark and Kevin Hamilton.

John McAdam and Doug McNabb had a pair of goals each for Vasey's. Dave Brown added a goal and four assists. Bern Berry and Kim Hamilton each had a goal and an assist.

Second Hartwick win

Hartwick chalked up their second win in a row when they defeated Home Hardware 10-6 on Monday evening.

Home jumped into a 2-0 lead early in the game but Hartwick bounced back with five unanswered goals to take a 5-2 lead. After Home added a goal to end the first period, Hartwick went on another scoring spree adding four goals in the second period to take a 9-3 lead.

Home knocked in three goals in the third period including a pair by Dean Hewitt but couldn't catch up to Hartwick who added one more point to take the game 10-6.

Leigh Bull led his team to victory with 4 goals and a

pair of assists. Rick Hartwick added a pair of goals and three assists. Kevin Hamilton added to the point total with a hat trick. Dave Willis rounded out the scoring with a goal and an assist. Assists also went to Frazer Rogers, Murray Clark, Rick Mansfield and Terry Crowe.

Dean Hewitt was the top player for Home scoring 4 goals. John Barkwell contributed a pair of goals. Assists went to Corey

Walker, Joe Mitchell, John Winfield, Dave Crego and Walley Stender.

Trounced

In the second game played on Monday evening Vasey Real Estate trounced The Times team 13-2.

Vasey chalked up three goals before The Times got on the board then added one more to lead 4-1 at the end of the first period.

Vasey increased the lead to 7-1 before The Times

added their second goal and by the end of the second period Vasey7 lead 8-2. Vasey put the game away with 5 unanswered goals in the third period, winning 13-2.

John McAdam led the way for Vasey with 4 goals and 3 assists. Doug McNabb scored a hat trick and added an assist. Other goal scorers for Vasey were Larry Sawyer with a pair, and Doug Brown, Jeff Campbell, Chris Walters and Bern

Berry with a goal apiece.

Ken Casey and Brian Shaw were the goal scorers for The Times. Dan Reid and Barry Shaw had the assists.

On Thursday, November 1, Hall's takes on Rockcliffe at 9 p.m. On Monday, November 5, Home and The Times compete in the first game at 7 p.m. and Hartwick meets Rockcliffe in the second game at 8:30.

Admission to the games is free.

Soccer team wins nine straight

The Haliburton Highlands Secondary School Senior Soccer team extended the team's winning streak to nine games with a pair of playoff wins.

The team remains undefeated this season and has won by shutouts in six games.

On Wednesday, October 17 the Seniors defeated I.E. Weldon 3-1 in the Kawartha West semi-final game.

Lennie Johnson opened the scoring for Haliburton. Falk Fleugle increased Haliburton's lead on a penalty kick and Tom Eager put the game away on a cross from Jeff Howe.

On Thursday, October 25 the Seniors played host to Fenelon Falls for the

Kawartha West Championship and completely dominated the game. The final score was 1-0 in favour of Haliburton after Jeff Howe scored from Falk Fleugle and Bernie Upton.

The Seniors came close on three other occasions on scoring attempts by Scooter Burgess and Paul Milne but the shots ricocheted off the crossbar.

The win gave the Seniors the Kawartha West Cup for the second year in a row.

On Thursday, November 1 the Seniors will be taking part in the Kawartha Tournament in Lindsay against the winners of the three other divisions. The winner of the Kawartha Cup will advance to the COSSA tournament.

Costly trip

An illegal fishing trip in Algonquin Park has proved to be a costly mistake for four Pembroke area men.

On June 15, 1984, officers of the Ontario Ministry of Natural Resources, Algonquin Park District, discovered two all-terrain cycles hidden near a lake in the interior of Algonquin Park.

Further investigation revealed that four men, camped on the nearby lake, had used the cycles the previous night to illegally travel approximately 14 miles of logging roads closed to public travel to reach their destinations. Charges were subsequent-

ly laid against all four men under the Provincial Parks Act for travel on closed roads, and the accused appeared in Provincial Court, Whitney, on September 21, 1984, to enter guilty pleas.

His Honour, provincial judge C. R. Merridew, in passing sentence, made it quite clear, both to the accused and the open court, that he would show no leniency to those convicted of travelling closed roads in Algonquin Park to gain an unfair advantage in fishing privileges. He then assessed a total of \$1200 in fines against the four men.

Season ends for football Redmen

The HHSS Redmen ended their football season on a disappointing note as both the Junior and Senior teams went down to defeat last week.

The Seniors lost in the Kawartha West Consolation finals to I.E. Weldon in Lindsay on Thursday.

On Friday, the Juniors were defeated 14-7 by the Fenelon Falls Falcons in the Kawartha West Finals.

The Juniors' game was an exciting contest from the outset.

After a steady offensive drive Fenelon went ahead 7-0 halfway through the first quarter.

In the second quarter the Falcons offense was slowed by the Redmen but in the key play of the game, the Falcons broke through the line and scored their second touchdown on a 60 yard run.

They missed the convert but gained a point when the Redmen conceded one point after a kick into the end zone.

It appeared that the Redmen had narrowed the gap in the second quarter when a Falcon ball carrier lost possession of the ball and the Redmen ran the ball in after the interception, but the whistle had blown and the touchdown was nullified.

Behind 14-0 at the beginning of the second half, the Redmen came out flying. A strong running game by Craig Crowe and Andrew Burk moved the home team steadily downfield.

Jeff Popple then caught a 20 yard pass to put the Redmen on the Falcons' one yard line. On the next play Tom MacLeod took the ball over on a quarterback sneak.

Jaro Cooper kicked the conversion to make the

score 14-7 for the Falcons.

The Falcons threatened again in the fourth quarter but the Redmen defense came up with an impressive goal line stand blocking three scoring attempts.

Key tackles by Kevin Barnhart, Sean Whitfield, Brad Archer, Allan Rydman and Sandy Sutherland stopped the Falcons in their tracks. The Redmen defense continued to rattle the Falcons' offense late in the fourth quarter.

Sandy Sutherland recovered two fumbles and Ian Cooper intercepted a pass but the Redmen were unable to sustain a strong offensive drive and the game ended with the home team behind by a touchdown.

In the Seniors' game on Thursday, coach Gary Brohman made a point of playing all the team members in what was to be the final game of the season. The result was a 36-10 loss to a strong I.E. Weldon club.

The coach noted that for some of the players the game was not only their final game of the season but their final game as Redmen.

Four players will not be with the team next year. Those retiring after five years of high school football are defensive halfback and running back Rob MacLeod, offensive and defensive tackle Terry Hobden, inside linebacker Wade Woodward and running back Jeff Bain.

Throughout the 1984 season the Redmen coaching staff has been compiling statistics on the players' performances.

Defensive players are awarded points for tackles, interceptions, quarterback sacks, recovered fumbles and defensive touchdowns.

The most effective

Andrew Burk, No. 44, finds himself surrounded by Falcon defensemen during Friday's game in Haliburton. The Falcons defeated the Redmen 14 to 7 to capture the Kawartha West championship.

players on the defence are named to the Top Ten Animals list. The Senior members of this elite squad are:

Mike Blake 120 points, Mike MacNaull 97, Terry Hobden 97, Rob MacLeod 87, Kevin Smith 80, Paul Allore 60, Peter Allore 55, Wade Woodward 48, Daryl Ward 43, and Alex Little 35.

The top junior players are:

Craig Crowe 101 points, Ian Cooper, 91, Kevin Barnhart 87, Tom MacLeod 65, Ken Kreller 42, Jaro Cooper 42, Allan Rydman 41, Sandy Sutherland 40, Ron Perrin 31, Brad Archer 31 and Gord Wood 31.

The leading rushers on the

Senior team are Mike MacNaull 65 carries for 579 yards, Rob MacLeod 35 for 351, Jeff Bain 27 for 130, Trevor Powers 27 for 110 and Mike Blake 14 for 93.

The Senior quarterback Trevor Powers completed 30 of 47 passes for a total of 202 yards.

The leading rushers on the

Junior squad are:

Andrew Burk 91 carries for a total of 714 yards, Craig Crowe 29 for 133, Drew Mitchell 25 for 113, Tom MacLeod 18 for 56 and Ian Cooper 7 for 49.

Quarterback Tom MacLeod completed 22 of 38 passes for a total of 346 yards.

IT'S TIME to protect your car from rust BEFORE WINTER

RUST CHECK IS NOW
AVAILABLE AT
**HALIBURTON
AUTO BODY**

On the Robertson side road in Haliburton.

✓ HOW RUST CHECK WORKS

Rust Check is a special formula that will:

- ✓ 1. Evaporate moisture.
- ✓ 2. Penetrate existing rust, tight seams and crevices, right through to the base metal for maximum protection.
- ✓ 3. Creeps continually to provide year round protection.

RUST CHECK works on new or used cars.

Dog races

(from page 2)

"Since the late 1960's this is the only event to be held in downtown Minden," he said, adding that merchants in the downtown area do not benefit from such as the County Fair and the Winter Carnival which are held at the fairgrounds or the

Minden arena.

Reeve McKnight noted that the municipality has agreed to provide \$1500 in funds for the race and questioned whether or not the cost of hauling in snow would be covered by those funds. Kenney stated that the costs would be included.

Councillor Pat Burk

noted that she had been under the impression previously that the entire street would be used, adding that she approved the proposal to restrict the track to a ten foot wide lane. "We should work to get this race started downtown" she added.

Councillor Dave Stevens asked if other sites had been considered for the start line such as the Community Centre or the municipal parking lot.

Kenney replied that if the

dog teams started from the municipal parking lot they would have to make too many sharp turns before reaching a straight away and that activities have already been organized for the weekend of the race at the community centre.

Although no resolution was passed at the council meeting, the members agreed that they had reached a consensus to support the downtown race start and that details would be worked out later.

Special Notice to the Patrons of PineStone Inn and country club

As the leaves have fallen and the snow has yet to fall,
PineStone Inn and Country Club is moving to slow season
hours of operation.

For the period of November 1st to December 22nd:

- * Our Clubhouse and Golf Course are closed.
- * Dining Room Hours:
Breakfast - 7:30 a.m. to 10:30 a.m.
Lunch - 11:30 a.m. - 1 p.m.
Dinner - 6:00 p.m. to 7 p.m.
- * Lounge Hours Sunday to Thursday:
12 noon to 11:00 p.m.
Friday & Saturday: 12 noon to 1:00 a.m.

For Friday and Saturday nights in December, dining
room hours will be our regular 6:00 p.m. to 9:00 p.m.
with the Golden Slipper Lounge open until 1:00 a.m.
with entertainment.

The Management and Staff of PineStone Inn and Country Club
thank all of the local residents for their patronage this past summer
and fall. We sincerely hope that our changing to slow season hours
of operation will not be an inconvenience to you, our most valued
guests.

This Week On T.V.

The listings are supplied by the T.V. stations. While every effort is made to ensure their accuracy, last minute changes may be made by the stations.

Canada Post Corporation Tenders For Mail Contract

MINDEN R.R. #2

Canada Post Corporation is inviting tenders for the Minden Rural Route No. 2 mail service.

Full details as to contract specifications, schedule of service, tender forms etc., may be obtained from the Postmaster at Minden

or from:

Canada Post
Transportation Contracting Services
Rideau Division
1424 Caledon Street, Room M-229
OTTAWA, (Ontario). TEL: (613) 995-8353
K1A 0C1

Tenders will be received until 3:00 p.m. on Wednesday, 21st November, 1984.

NOTE: Each tender must be accompanied by a security deposit in the amount of \$25.00, by means of a certified cheque or money order payable to Canada Post Corporation. Tenders will be accepted only from customers of the Minden Post Office or offices served en route. This includes customers of all rural routes operating from Minden as well as customers of offices served by these routes.

The lowest or any tender will not necessarily be accepted.

NOTICE
We will be
CLOSED
for holidays

PLANT SOME PAPER WHITES

Paper white narcissus can be grown indoors between Oct. 1 and Feb. 1, and those planted by Oct. 1 will be in full bloom by Nov. 15. For a contemporary look that is all the rage in New York City boutiques, fill 2/3 of an attractive bowl or terra cotta saucer with marble chips and place the bulbs on the chips. Next, add just enough water to barely reach the base of the bulbs and then fill the bowl with

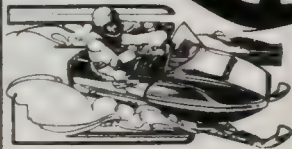

marble chips by placing them gently around the bulbs.

Keep the bowl in a cool dark place for two weeks and at the first signs of growth, place in full daylight. Try to avoid areas with temperatures higher than 65-70 degrees Fahrenheit. Add just enough water each week to barely reach the base of the bulbs.

Bowlers seek new facility

The Minden Lawn Bowling Club are dissatisfied with their leasing agreement at the old Minden Curling Club building and are seeking the assistance of the municipality to acquire a more permanent facility.

A delegation of members of the club brought the matter to the attention of council at the regular council meeting on Thursday October 25.

At present the MLBC leases the municipally owned building from the Minden Agricultural Society for six months of the year ending in late September.

The Agricultural Society manages the building under

an agreement with the municipality in 1980.

At that time council passed a resolution turning over management responsibilities to the Agricultural Society in perpetuity.

Jim Burton, past president of the bowling club, informed council that the Agricultural Society has exclusive use of the building for a three week period when the Haliburton County Fair is held in August. The building is used to house various exhibits during the fair.

Burton told council that the bowling club is unable to use the building during that three week period which occurs in the middle of the bowling schedule.

Noting the club has two years left in a three year lease with the Agricultural Society, Burton suggested that consideration should be given to providing a new facility for the club when the lease runs out.

President Alberta Maitland told council that the club is seeking a guarantee from council that the club can continue. She suggested that the municipality could construct a building for the Agricultural Society or, as an alternative, could construct a building for the Lawn Bowling Club, that would also be used for other seniors activities.

Don Sinclair, a director of the club, told council that the club has grown from 30 members to a membership

of over 100 in the past five years.

He noted that although there are no age restrictions, the club is comprised mainly of seniors. He added that although an effort is made to keep membership fees low, the club has had to pay out over \$3000 in rent in five years and has contributed \$5000 to the repair and maintenance of the building.

He added, "We have not asked for much assistance from the municipality in the past."

Sinclair noted that the club could make use of a larger building to increase the number of bowling lanes and asked council what assistance could be expected from council for seniors.

Reeve Lyle McKnight suggested that a meeting should be arranged between the bowling club and the president of the Agricultural Society.

He also suggested that a committee could be set up with a representative from the bowling club, the Agricultural Society and the municipality. He noted that a similar committee was in existence when the Agricultural Society took over the administration of the building in 1980 and such a committee could help resolve the club's problems.

Owner responsible for road, council advised

The new owner of the Cox Hills Estates is bound by a subdivision agreement signed by the municipality of Anson, Hindon and Minden and the former owner, according to the municipal solicitor.

The entire subdivision, except for one lot, was sold by Terrelac Properties to Sherwood Developments in September.

Council sought the advice of the municipal solicitor regarding the sale of the properties after complaints were received at the council meeting on September 27 regarding the condition of the Cox Farm road that leads into the subdivision.

It was pointed out at that meeting that under the terms of the agreement the subdivider was responsible for the construction of the subdivision roads and was required to maintain the roads to municipal standards.

It was also noted that under the agreement the municipality agreed to assume the roads into the municipal roads system once 50% of the lots had been sold and once building permits had been issued for one quarter of the lots.

Council questioned whether the sale of the lots met the intent of the agreement. It was suggested that the agreement implied that the lots were to be sold to individual buyers who would construct residences on the lots.

This would increase the tax base thus contributing funds to the municipality to help offset the costs of maintaining the road.

The solicitor reported to council that the sale met the conditions of the agreement and added that the new owner was bound by the agreement to maintain the road.

The solicitor's report was tabled at the regular council

meeting on Thursday, October 25.

The members of the roads committee informed council that they concurred with the solicitor's report and suggested that the municipality should contact Sherwood Developments advising the company that the road must be brought up to municipal standards. It was noted that additional gravel is needed on the road in addition to grading.

In commenting on the report, Reeve Lyle McKnight suggested that future agreements should be more specific about the sale

of properties. He suggested that the agreement should specify the lots are to be sold to individual owners and the municipality should require buildings to be constructed on a number of the lots before the roads are assumed into the municipal road system.

McKnight added that the municipality does not want to discourage development and cautioned that if developers find the conditions too stringent or expensive, they will be reluctant to carry out developments in the municipality.

Tax collection system changed

The municipality will be abandoning the present system of collecting tax arrears in favour of the system used prior to 1984.

Council adopted the new system in April because of doubts concerning the legality of the former system.

After being advised by the Ministry of Municipal Affairs and Housing, council passed a resolution establishing a policy whereby payments received on tax arrears would be applied to all outstanding interest and percentage charges, if any, and the remainder of the payment would be credited to that part of the taxes that has been in arrears for the longest period of time.

It was noted that if the interest and percentage charges were sufficiently high, in comparison to the tax arrears payments, those payments would not reduce the amount of the original principal and that interest would continue to be applied to that principal.

This, in effect, would increase the interest payments to a rate that is higher than provincial legislation allows.

Under the former system, payments were applied to the interest and percentage charges on the taxes that had been arrears for the longest period and the remainder of the payment applied to those taxes.

Call 286-1288 — 9 a.m. - 4 p.m.

Visiting with Cliff and Jean Lacey for a few days was Cliff's sister Doris Hubbard of Mississauga before she left for a winter vacation in Florida.

The Minden Horticultural regular meeting will be held in the council chambers on November 6 at 7:30 p.m. The speaker for the evening will be Pat Campbell who will talk and demonstrate on decorating for Christmas. Go to the meeting to learn and prepare for the "Front Door Christmas" contest to be held in December. Look for further notices and entry forms to appear in this newspaper later.

The Club 35 Monday night euchre party results are: Most lone hands - Len Trodd, High Man - Harvey Bunker, High Lady - Olive Daniels, the door prize went to Clarence Bunker while other winners were: Mabel Trodd, Ralph Schad and Edith Russell.

Michael Bird and friend and Laura Bird all of Toronto, visited their parents over the weekend.

Joe and Lloyd Brownridge of Toronto spent the weekend at the cottage on Boshkung.

Share and Learn nights continue Monday, November 5 at 7:30 p.m. in the library/cultural centre. Bring your pillow and frame.

Winners at the afternoon card part at St. Paul's Parish Hall last Thursday were - Most lone hands May Eldridge while others were: Charlotte O'Neill, Harvey Wooley, Dorothy Reaman and Charles Beharrell.

Nine members of Minden Women's Institute enjoyed the craft tea at Fenelon Falls United Church hall October 24. The event was held by ten branches of Victoria East W.I. What a grand display of crafts and superb demonstrations. A good place to get ideas for that special Christmas gift.

Lu Ann Strauss and her son Jonathon are visiting her parents Mr. and Mrs. Lyle McKnight for two weeks.

Mr. and Mrs. Jack Stacey

Ode to Bill and Frank

I saw her, that day, at the cenotaph
On a chilly November morn.
A nation stood hushed, and bowed its head
To honour its heroes, its wounded, its dead.

She had been chosen to represent
All mothers of those who didn't come back.
On foreign soil their bodies had lain,
Some had been wounded, others slain.

As her hand caressed the crimson poppies
She recalled the knock at her door;
A padre had tried to comfort her sorrow
Never thinking he'd be back in the morrow.

But others, too, had grief to bear
And so she learned to accept her share.
She walked head high with eyes so clear,
On the arm of Sergeant James McTier.

While the sergeant set the wreath in place,
She glanced at the statue erected above;
Soldiers and sailors in leaden gray
All rushing, blindly, to join the fray.

Then the moment of silence - God give her strength
To feel that her loss was not in vain.
On foreign soil her sons had died,
They'd even been buried side by side.

As the Last Post sounded its haunting refrain,
Her eyes grew misty, a tear ran down
The face of a mother grown less strong -
"Oh Billy, oh Frank, I won't be long."

I was aware, that moment, as never before,
Of the hallowed ground which beneath me lay,
Of the debt I owed to those who gave
Their present, their future, my freedom to save.

Then bracing herself with a touch of pride
She turned and walked to her husband's side.
Yes, they'd given their sons in their country's need
Their names were there for all to read.
Both died in the year of forty-four,
God bless their souls for evermore.

Mary Seedhouse,
Norland, Ont.

spent the weekend in Oshawa with relatives and attended a wedding.

In spite of many moose sightings in this area, only a few of the hunters were fortunate to down one. Perhaps they will be luckier in the next two weeks of deer season.

Don't forget to buy your poppy from the veterans who will soon be selling them.

There are still a few seats available for the W.I. bus trip to the Royal Winter Fair leaving November 14 at 8 a.m. If interested, please contact Annie Kernohan at 286-1648.

Don't forget the service of remembrance being held at the Minden Cairn on Sunday, November 4 at 2 p.m. Refreshments will be served after the services in the Minden Curling Club.

Saturday, November 3, the Mermaid Puppet Theatre will perform "Anna's Pet" at the Hyland Crest Auditorium at 1 p.m. Admission is free and everyone is welcome. What a pleasant way to entertain yourself and your children.

senior league

by Bert Harrison

Well readers things are running smooth here at Hyland Crest. Here are the names of some of the residents who over the weekend had special guests. Jessie Walter's husband came on her to call, which was fine. Millie Wood's daughters came and stayed with her to dine. Della Curry's son and wife came to visit his mother, we are sure there were others came to visit their dear mothers. Edna Cowan & Lilly Hogg have visitors coming and going nearly all the time. This weekend I didn't have any relatives of mine.

For the chapel service Sunday night the Thompson's were not there, they were detained elsewhere. Rev. Burgess came along with his dear wife, brought a real interesting message. Jesus said "I am the way, the truth and the life."

The cleaners that keep this place so clean, I really do admire. They work away day after day, and never seem to tire. Our ladies working in the craft room, have a great display, of different items for sale for their Christmas Tea & Bazaar, which is to be held the November 7th day.

Pastor Ward Taylor of the Haliburton Full Gospel Lighthouse came down to Hyland Crest this 23 October day. He delivered a very impressive talk on Jesus healing the blind men. Fred Ballard came the music to play.

Linda showed us movies

Monday night, it was in 2 parts, very interesting right from the start. No movies Tuesday afternoon, we had a mixed program instead. When it was over the B team was ahead.

I was sitting writing trying to tell you all, when the fire bell went screaming down the hall. I downed my pen and started to get to the front door, tripped and almost fell upon the real hard floor.

We were glad to have Carl Dugan return to us on Tuesday, he finished digging 90 bags of potatoes while he was away.

Doris Vaughan who is a resident here has a son working in the Martin Brothers sawmill. It was a real tragedy when these three men were killed.

The lunch was brought on Thursday afternoon by the Minden Sunshine group. They had lovely sandwiches, all kinds of cookies, tea, coffee, softdrinks, but not any soup. We also had a birthday party and a lovely birthday cake, for the ones who had birthdays in October, and a real nice time was had together. Different groups come each week, no matter what the weather.

We would like to thank Doug Ripley for calling the Bingo numbers Thursday night, some of the players were lucky, said they did all-right.

Friday afternoon our entertainers came along to lead us in the sing-song with music, poems, and song.

kid's korner

by Jean Lacey

Q: How do witches drink their tea?

A: Out of flying saucers.

Q: What is a ghost's favourite day?

A: Moanday.

Q: What did the mother ghost say to the little ghost?

A: It isn't polite to spook till you're spooked to.

Q: How do ghosts eat food?

A: By gobblin' it.

Q: What did the big ghost say to the little ghost when they entered the car?

A: Fasten your sheet belt.

Q: What is as big as a hippo but weighs nothing?

A: A hippo's shadow.

Q: How did the firefly feel when he ran into the fan?

A: De-lighted.

Q: Where does a lamb go for a haircut?

A: To the ba-ba shop.

EVERYONE WELCOME

A poppy for remembrance

It seems paradoxical that a simple flower, the poppy, usually associated with sleep and forgetfulness is also the symbol of remembrance.

Yet, its significance is so great that on November 4, at 2:00 p.m. Legion members will routinely put a poppy in their lapels and march to the Cairn in Minden for a service of remembrance. Again, on November 11, the same procedure will be followed for the 11 o'clock service at the cenotaph in Haliburton. Not only will this be happening in our county, but also in many countries of the world where millions of people will gather to honour their heroic war dead.

While there is some disagreement of the origin of the association with the poppy and remembrance, a

strong impact was made by a Canadian, Dr. John McCrae, who, while waiting for batches of his wounded comrades to arrive, and watching the piles of dead comrades filling up burial plots, he was inspired to write the famous poem "In Flanders Fields."

While the poem speaks of Flanders fields, and of poppies, the subject is a universal one - the fear that the dead will be forgotten, and their deaths will be in vain. Canada adopted the poppy as a symbol of remembrance, and the American Legion, so impressed with the words of the poem, that they, too, adopted the poppy in 1921.

The poppy is not all in the past, and it is symbolic of much more. It is alive, and thus we think of our future

and of freedom. The poppy is symbolic of peace, and we are urged to promote a lasting peace, and an understanding of all mankind. The poppy is a perfect symbol of unity.

Canada has its own constitution, but we lack a spirit of a common cause. We no longer share difficult things with a sense of unity. The poppy is a reminder of the need and the challenge to seek out that spirit and unity which sustained our forefathers. Thus, we wear the poppy, not only to honour the 114,000 Canadian men and women killed in wars, but also to emphasize Canada's role of peace and goodwill in the world. To this, we must be devoted, and while we must honour those whose names appear on the Minden Cairn and the Haliburton Cenotaph, our hope is that no more names will have to be chiselled on any more cenotaphs.

In Canada, poppies are made by disabled war veterans, and the annual distribution of the poppies

and wreaths is the Royal Canadian Legion's only national appeal for funds. These funds are held in trust in a separate account, and can only be used for specific purposes, for example, needy ex-service personnel, community medical research, and the many areas where you see your Legion doing service work in your own community. The Legion is the largest service club in the world.

We, at Branch 129, Haliburton, are proud to wear and to distribute poppies, as it is our sincere belief that the public appreciates the opportunity to make a tangible expression of thanks to the dead and to the disabled veterans.

Even if you are too young to remember the war, try to relate your feelings to the young people who lived, who loved, and who died to earn the peace and freedom that we all enjoy.

Let us all participate on November 11 by remembering them, and by wearing a poppy.

The fiftieth wedding anniversary of Allan and Helen Stott of Lutterworth Estates was celebrated on Saturday, October 20 at Locarno Resort on Lake Kashagawigamog. Their son Peter of Thunder Bay attended, also their son David, his wife June, daughters Julie and Nicole from Dundas. A reception was held followed by dinner for out-of-town relatives and friends from Montreal, Vancouver, Toronto, Dundas and other places in Ontario. They were joined in the evening by Minden friends. Dancing to the music supplied by Al Baird was enjoyed. A buffet was served later in the evening.

Art in the hall

by Teresa Congdon

The next few weeks will surely be busy ones at the Drag River Municipal building. The Drop-In Centre, Home Support Office and the Information Centre will all be getting a fresh coat of paint.

November is going to be a busy month as well. On the 4th and 5th the County will be represented by Bruce Armstrong and Bruce Henry at the O.A.C.O.A. Senior Games Workshop. We are sure that these men will bring much information to make this year's Senior Games another success.

I would like to take this opportunity to thank all the Seniors who participated in

the "Art In The Hall" display. The work that was displayed in the Home Support Office and the Drop-In Centre was beautiful. Please remember that we are always looking for new pieces of art.

We will have the movie "Tootsie" at the Drop-In Centre. This is a very funny movie starring Dustin Hoffman who dresses up as a woman and runs into many little problems. There will be a charge of \$1.00 to see this movie and all the proceeds will be given to the Peterborough Civic Hospital Cat Scan Fund. Isn't that a good reason to get out and see this movie.

Agnes Jamieson Gallery

is pleased to announce as their continuing contribution to Minden's 125th Birthday Celebration and the Provincial Bicentennial and in conjunction with the Anson, Hindon and Minden Celebration Committee.

A Juried Pottery and Ceramics Show

December 5 - 10

There will be two categories. One "closed category" for the residents of Anson, Hindon and Minden only, and an "open category" for everyone except the residents of Anson, Hindon and Minden. The "best of category" in the "closed category" will be retained as the beginning of a Permanent Collection for the townships of Anson, Hindon and Minden.

The final date for registration for Pottery and Ceramics is November 26, 1984.

For further information please contact the Gallery at 286-3763. Registrations forms are available at the Gallery.

PRIZES

\$100 - best of the show for three shows
\$100 - best of the A.H. & M category
\$75 - best of open category
Ribbons - best of listed categories and honourable mentions

CARD OF THANKS

EAKINS: We wish to express our appreciation for the many acts of kindness and understanding shown our family by so many friends, relatives and neighbours, municipal and other Government representatives at the time of Iris' passing. We are especially grateful for the dedication of Dr. Bob Watson, Dr. Duncan Colterjohn and all staff of Ross Memorial Hospital; also Dr. Fine, Dr. Cruz, and the wonderful people of Princess Margaret Hospital. We shall always remember the kindness of Reverend Jim Phelps and Reverend Lorne Dorsch, the good people of Queen Street United Church, the Kawartha Rebeckah Lodge and the encouragement of the Lindsay Song Spinners. Also to the Mackey Funeral Home for their understanding and service. Our thanks to those special friends who remembered Iris throughout her illness and encouraged her in so many ways.

John, Karen, Barry & Elaine, Jan, Dan & Sarah

I would like to thank all my friends and neighbours for all the phone calls, cards and gifts I have received since returning home from the hospital. Thank you.
